Funding Resources		
If this is an existing program, how long have you received funding, from whom, and in what amount? (Enter N/A if this is not an existing program.) Funding sources can include line items in your organization's budget.		

Have you applied for other grants to support this program? If so, to who have you applied, in what amount, and when is a decision expected?

Aside from grants, are there other anticipated sources of support for this program such as in-kine gifts, special events or fundraisers? If yes, please describe.
BUDGET
Please attach the budget for this program ONLY , not for the entire supporting organization. NOTE: income and expenses must balance.
What is the long-term goal of the program/project?
A goal is a long-term aim you wish to accomplish which may or may not be achieved within a short period of time. The goal answers the question, "What would we like to see happen as a result of this new initiative?" Example: All elementary school students requiring speech-assistive devices will have one by the end of the school year.
OBJECTIVES
Identify two objectives that will move you toward the stated goal of your program. They are characterized by the acronym SMART (specific, measurable, achievable, relevant and timebound). Example: 90% of students using assistive speech devices will have mastered the technology of the device.
State OBJECTIVE #1
List proposed activities that will support Objective 1. List both planning and direct service activities.
How will you determine if Objective 1 has been achieved?
