

Starved Rock Country Community Foundation

Scholarship Opportunities

On behalf of generous individuals, SRCCF administers a scholarship program each year to help students pursue their dreams and goals at colleges and universities following high school graduation. The Starved Rock Country Community Foundation Board of Directors is pleased to announce the 2026 educational scholarships.

To streamline the amount of time you need to spend completing each of these scholarships, we have created a common portion of the application (Part I) that will be used by the Scholarship Committee. Please complete both pages. You only need to complete this once. You are also being asked to complete a separate essay for each scholarship for which you wish to apply and provide two letters of recommendation from educators who can support your application. Please be sure to attach the appropriate essay(s) and letters of recommendation for each scholarship to Part 1.

Return the entire packet to us in person, by mail or via email. *We recommend that you call the Foundation office within five (5) business days after sending your application to us to confirm we received it!*

Scholarship funds will be awarded by check, made payable to the college or university for deposit in the student's account upon our receipt of the student ID number, and a copy of the admission letter or the fall class schedule.

**PLEASE CONTACT THE FOUNDATION OFFICE WITH QUESTIONS.
